Quick start guide

Veltra 55Q8 TV

Edition date: 01/06/2021

1. Remove the packaging and the protective film from the screen. Keep the box for any future move.
2. Place the TV on a stable stand, or fit the wall bracket as shown in the mounting guide.
3. Connect the power cable to the back of the TV, then to a wall socket.
4. Insert the two batteries into the remote control.
5. Connect your devices to the HDMI and USB ports on the back of the TV.
6. Press the power button on the remote control. The set-up wizard starts.
7. Choose your language, country and Wi-Fi network, then follow the on-screen steps.
8. When the wizard asks, check for a software update and let it install.
